

Videographer

Employment Type

Full-time

Job description

We are looking for a talented and creative Videographer / Drone Pilot to work with our creative team to plan, film, and edit video content according to client briefs. The videographer's responsibilities include ensuring the necessary filming equipment is available, directing other camera operators on set, and editing film footage.

To be successful as a videographer, you must understand client briefs and work creatively to produce the desired product. You should stay up to date with industry trends and tools that will make projects more marketable.

Videographer Responsibilities:

- Film videos on set or on location.
- Ensure that equipment for a shoot is present and working.
- Plan the shoot with the creative team.
- Edit footage in post-production.
- Direct other camera operators so that the needed footage is acquired.
- Flexible with traveling and working hours.

Videographer Requirements:

- Excellent computer literacy.
- Drone license for FPV drone and regular drone.
- Proficiency with professional editing softwares.
- Excellent interpersonal skills.
- Relative fitness and stamina to work long hours.
- Excellent proficiency with camera equipment.
- Driving license.

If you share our passion for content creation and have a creative and innovative mind, we'd like to meet you.
